# U8 COACHES REPORT

**The Under 8's first season together saw lots of fun and friendships develop both on and off the footy field.**

**We started off with a group of 9 kids, and with some help from parents and the club with recruitment, ended the season with 18.**

**As first time coaches, we loved watching the kids enjoy their footy and found it so rewarding witnessing their skills develop. We focused on teamwork and they were always willing to give their all in the various positions on the field. We saw massive improvement throughout the season, and towards the end the boys really started to come together and apply their skills that we focused on during training.**

**We were so fortunate to have a very supportive parent group assisting us whilst we navigated our first season of coaching. We can't thank you all enough.**

**We look forward to seeing you all back next year to continue on your footy journey at Croydon.**

**Chris and Matt**

# U12 COACHES REPORT

**It has been another great year from our Under 12 team. All our kids have developed their football skills and have had great success over the last two seasons due to their hard work and dedication to the sport.**

**The team are an amazing group of kids who bring lots of passion and dedication to the field each week. This saw the team achieve great results throughout the season, including making it into the Grand Finals for their first season in A-Grade. Whilst we didn't take home the win, we are very proud of team for rising to the challenge.**

**We are also supported by a great group of parents who have assisted the team, and the club throughout the season, and cheered mightily from the sidelines. We thank you for all of your help throughout the year.**

**The support from our committee, senior club and volunteers has been outstanding and it's great to see the club growing and heading in the right direction.**

**Look forward to next season**

**Thanks Cameron and David**

# U14 COACHES REPORT

We had good numbers across preseason with 6 new players joining the team. The team started off in "A" for grading and to their credit, performed well, and qualified for A grade for the first time.

It took a few games to adjust to the speed and quality of the opposition but once we adjusted we were super-competitive throughout.

Unfortunately we dropped a couple of games by less than a goal which saw us miss finals. On a positive note we challenged the top sides and proved we are good enough, if we can maintain our level of play over four quarters.

Mason Agnew and Declan Rowe both made interleague and performed well. Congratulations to both boys on their effort and performance representing Croydon at the next level.

*Now that the kids believe they are an "A-grade team" we are looking forward to seeing their commitment and work during preseason to earn an opportunity to play finals in 2025.*

**Andrew and Jarrod**
